### AMERICAN PHYSICAL SOCIETY (APS)

Individual subscription orders for APS journals are now available for APS members only and are handled by the APS Membership Department (membership@aps.org), One Physics Ellipse, College Park, MD 20740. Members are eligible for reduced subscription rates for the journals, Physical Review, Physical Review Letters, and Reviews of Modern Physics. For more information on institutional subscription rates, please email subs@aps.org or call 1-800-344-6902.

## RATE INFORMATION FOR ALL JOURNALS

- ALL SUBSCRIPTIONS AT MEMBER RATES ARE FOR PERSONAL USE ONLY.
- Member rates are not available through subscription agencies.
- This list indicates all **AIP** journals, Member Society journals, and other available publications offering special rates to AIP Member and Affiliated Societies.
- U.S. subscription rates apply ONLY to United States and its Possessions.
- Non-U.S. Surface Mail subscription rates apply to Canada and Mexico, to countries not served by airfreight, and to subscribers not electing optional airfreight.
- PRICES ARE SUBJECT TO CHANGE WITHOUT NOTICE.

## FOOTNOTES FOR ALL JOURNALS

1. Available to members of **AIP** Member Societies ONLY.
2. Gratis to members of **AIP** Member Societies and Society of Physics Students.
3. Available to **AIP** Affiliated Society members only, including Sigma Pi Sigma Alumni.

## MEMBER BENEFITS

The **American Institute of Physics** (AIP) offers a variety of publications and services for physicists, astronomers, and other scientific and technical professionals. These resources include:

- **Physics Today**, the #1 physics publication in the world, free to AIP Society members.
- Significant discounts for **AIP online journal subscriptions**. Call 800-344-6902 or 516-576-2270; fax 516-349-9704; or e-mail [subs@aip.org](mailto:subs@aip.org).
- FYI: The AIP Bulletin of Science Policy News summarizes science policy developments in Washington affecting the physics and astronomy community. Summaries are issued two or more times
- Reduced subscription rates to **Computing in Science and Engineering**, a joint publication of AIP and the IEEE Computer Society. For fax 516-349-9704; or e-mail [subs@aip.org](mailto:subs@aip.org).
- Articles when you need them from AIP's **DocumentStore**. To order any article online, see [www.documentstore.org](http://www.documentstore.org).
- Table of Contents Alerts and RSS Feeds for AIP journals by e-mail. Go to <http://journals.aip.org> and click on the journal that interests you.
- Job listings (print and online) and employment referral services. Call **AIP's Career Services Division** at: 301-209-3190; fax 301-209-0841; e-mail [csv@aip.org](mailto:csv@aip.org); or see [www.physicstoday.org/jobs](http://www.physicstoday.org/jobs).
- Resources for research in the history of physics. Contact the **Center for History of Physics** at 301-209-3165 or the Niels Bohr Library at 301-209-3177. E-mail; [nbl@aip.org](mailto:nbl@aip.org). Also, see [www.aip.org/history/](http://www.aip.org/history/).

## ORDERING INFORMATION FOR ALL JOURNALS

- **AIP** and Member Society Journals available exclusively from the **American Institute of Physics** must be ordered from:  
**American Institute of Physics**, P.O. Box 503284, St. Louis, MO 63150-3284.  
Tel. (800) 344-6902 or (516) 576-2270. FAX: (516) 349-9704.
- Journals available ONLY from **AIP's** Member Societies must be ordered directly from the respective society.
- Payment must be sent to the correct society as indicated on this price list. If payment is made incorrectly, it will be REFUNDED ONLY-NOT FORWARDED to the correct society for fulfillment.

## SOCIETY OF PHYSICS STUDENTS

The Society of Physics Students (SPS) is the professional society for physics students and their mentors. SPS is managed by the American Institute of Physics as a service to students and the chapters, is open to anyone interested in physics. physics community. SPS membership, through collegiate chapters, is open to anyone interested in physics.

For only \$24.00 (\$30.00 for non-U.S. addresses), you will receive

- Eligibility for scholarships, travel grants, and other awards
- **Physics Today** (monthly)
- **Journal of Undergraduate Research in Physics Online**
- Career placement assistance
- Free membership in one AIP Member Society

To learn the benefits AIP Member Societies offer SPS Members, visit the SPS Website at: <http://www.spsnational.org>.

Members of SPS may subscribe to or purchase, for personal use only, any of the publications listed below at the following rates:

Title	No. of Issues	Non-U.S. U.S. (Surface)
<b>SPS Observer</b>	4	On Membership
<b>Journal of Undergraduate Research in Physics Online</b>		On Membership
<b>2012 Graduate Programs in Physics, Astronomy and Related Fields</b>		\$79.00 \$89.00
